REPEAT ANNOUNCEMENTS

Spring Concert

Carolyn Adams will lead the annual spring concert next Wednesday, June 2, starting at 6:30 pm – no special costume requirements this time, just nice summer dress-up attire. Children should report to their classrooms at 6:15 to get ready.

Art on Display

In lieu of a formal, one-time art show this spring, Allyson Lavit has been hanging children's art work throughout the main floor of the building, on the corridor and lobby walls – take a look around next time you're in the building. At the spring concert, she'll also be hanging some additional work for your viewing pleasure!

Early Ed Report

Next year's early education program in Warren will look pretty much the way it does this year. While Heather O'Hare spends time at home with baby Harper, Lyndley Mittler will continue to teach in her place. In a minor change, Lyndley's class will include both three and four-year-olds – right now, there are 14 children enrolled. Andra's class will have 15 four year olds. KPAS continues – if you want to reserve a space for your child, this would be a good time to enroll.

Kindergarten will continue to be a full-day, five day a week program, with an current enrollment of 16.

Step-Up Day

On Wednesday, June 2, kids will spend the morning in the next grade. 6th graders go over to Harwood, stay for lunch, and return around noon – they've received instructions from Harwood. All other grades will step down, so to speak, at 10:50 when, as Katie puts it, "everyone's drancy fess gown turns back into old rags..."

P4 students will return from Kindergarten also at 10:50, ready to go to KPAS or return home.

WASP News

The last day of afterschool will be on Thursday, June 10, when the traditional ice cream social will take place.

On June 7 and 9, the Fishing Club will go fishing at Robinson's Pond in two separate group. Check with WASP bulletin board for more information. We will also continue to make lures as time permits.
